CoreLocation

Alamofire

## PROJECTS

### FieldSense

- Fieldsense is a location based sales force tracking, monitoring and reporting system.
- FieldSense mobile app allows field staff to perform virtually all their routine administrative tasks from field locations – submitting visit reports & expense reimbursement claims, scheduling field visits and recording visit outcomes and follow-up tasks.
- AppStore app link:  
<https://itunes.apple.com/us/app/fieldsense-app/id1182886903?mt=8>

### Places Around Me

- Places Around Me app help to find out our nearby places such as Bank, Hospital, Restaurant, ATM etc. which are closest to our location.
- Data is displayed in tabular as well as pins are drop on map.
