SUMMARY

A graphic designer with 3 years+ of professional experience seeking a compelling job where my creative skills are challenged. No coding, Only Designs.

- Meet with clients or the art director to determine the scope of a project
- Advise clients on strategies to reach a particular audience
- Determine the message the design should portray
- Create images that identify a product or convey a message
- Develop graphics for product illustrations, logos, ui/ux, and websites
- Select colors, images, text style, and layout
- Present the design to clients or the art director
- Incorporate changes recommended by the clients into the final design
- Review designs for errors before printing or publishing them
- Content writer and negotiating with print retailer and courier delivery
