### Profile Synopsis

Aiming to be an integral part of an organization and work with full dedication and loyalty in the company where I can utilize my skill and expertise and work towards the positive growth of the organization.

### Academic Qualifications

Course	Institution	Board /University	Year of Completion	Aggregate (%) /CPI
M.TECH	S.D College of Engineering & Technology Wardha.	Nagpur	2017	67.5%
B.E. (Electrical)	P R Patil College of Engineering & Technology Amravati.	Amravati	2014	60%
12th Board	Government Technical Junior College Amravati	Maharashtra	2010	61.17%
10th Board	Holy Cross Marathi High School Amravati	Maharashtra	2008	75.23%

### Project Undertaken

#### Software Testing:

In-flow Inventory Management System.

#### Project Description:

In-Flow inventory management system is primarily used for specifying and identifying goods, replenishing depleted stocks and tracking movement of stocked goods. The scope of inflow inventory management system involves replenishment lead time, carrying costs of inventory valuation, inventory visibility, physical inventory, replenishment and demand forecasting.

### MTech - Project Details

Title	Implementation of wireless sensor network monitoring electrical and mechanical fault in three phase induction motor
Description	This paper has presented the design and implementation of WSN for monitoring and controlling of various application and parameters of 3 phase induction motor in industries.

### BE - Project Details

Title	Human Area Networking
Description	Human area networking is a technology that uses the surface of the human body as a high speed and safe network transmission path. The human body acts as a transmission medium. In this we use the electric field on the human body. This technology definitely stands out with perfection, when transfer of data is fast, feasible and more importantly reliable

### Extra-Curricular

- Presented and published a paper in international conference “ICRTEST2017”.
- Online paper published in international journal of engineering and technology “IJRT”.
- Participated in poster presentation in national level technical festival “TECHELON 2011”.
- Participated in poster presentation in “Wildlife week 2011”.
- Participated in NSS as volunteer.
- Participated in project model in national level technical festival “TECHELON’s 2013”.
- Membership of “TECHELON’S 2013”.

### Key-Skills

Manual Testing, QTP, Mantis, Selenium.

### Certification

- Diploma in Software Testing with ‘A ’Grade From Mindscript.

### Personal Details

Date of Birth	24 <sup>th</sup> September 1992
Language’s known	English, Hindi and Marathi
Marital Status	Single

Date:

Place:Pune
