

ANJALI ASHOKRAO MOHALE
BE(Electronics and Telecommunication).
Mob: 9370506258, 9405389903.
Experience: 20 months
Email Id: anjali.mohale@infinitylabs.in

Experience

Infinity Labs India (www.infinitylabs.in) –
Associate Software Engineer

Project: BPA (Business Process Automation) By CISCO

Duration: 20 months

Skill Develop: *Angular5, NodeJs, MongoDB, HTML, CSS, Camunda, Postgress*

- Worked both **Frontend** and **Backend** technologies like Angular4/6, NodeJs, ExpressJs, HTML, CSS.
- Attained **Angular, NodeJs, Express, MongoDB** training for 1month conduct by InfinityLabs.
- Attained NSO(Network Services Orchestrator By CISCO) training for 3 days conduct by CISCO.
- Attained **camunda** training for 3 days conduct by InfinityLabs.
- Worked on Service Catalog, Device manager, Service manager, Golden config templates, Form builder, Auth modules in BAP Projects.
- Attending **scrum** calls on daily basis.

Device Manager: Developed Device mangager UI with functionality for add/edit device groups.

Golden Config Templates(GCT):

- Developed UI and add/edit/delete/update api for compliance and reports.
- Added dynamic component to devide dropdown in groups.
- Added api to fetch device template config from nso.
- Added dynamic component for looping dynamin variables with path.

Admin: Developed Groups UI with functionality for add existing user.

Import/Upload: Added single/multiple import functionality in GCT compliance, device activation and service manager.

Searching/Sorting/Pagination: Added dynamic searching/sorting/pagination in GCT compliance and reports. Using one search box user can search on all columns in table. All searching/sorting and pagination are added on client and server side.

Service Catalog:

- Developed Service Catalog UI with functionality for Services, Orders and Favourities.
- Developed UI with functionality for Catagories, Items, Tags and Orders tabs in admin section.
- Developed UI with functionality for catagories to show in tree view format with check and sort operation.
- Added import image option for Items and also displayed them back to user.

Key based Authentication:

- Added postgress add/edit/delete/update API for consumer and keys.
- Modified existing API's to support for password expiry and blocked user.

Camunda:

- Analysed and modified existing compliance workflow for bug fixing.

Educational Qualification			
Course	University/College	Year of passing	Percentage(%)
BE	SPPU, Amrutvahini College of Engineering, Sangamner	2017	70.13
HSC	Mahatma Gandhi Mahavidyalaya Ahmedpur, Dist. Latur	2013	62.33
SSC	Mahatma Jyotiba Phule Vidyalaya, Dist. Hingoli	2011	91.82

Project Work

Final Year Engineering Project:

Title: Smart Home using Brain Computer Interface

Developed a system that will be helpful to the paralyzed and physically disabled people to control the home appliances by using Brain Computer Interface (BCI), so they become independent in their daily life.

Mini Project:

Title: Student Attendance System using RFID Card

Designed RFID system which utilizes the usage of RFID technology to improve effective and efficient working system exist in college library.

Computer Skills

Operating Systems : Linux(ubuntu), Windows.

Language : Angular, NodeJS, Express, MongoDB, PostgreSQL, Camunda, HTML, CSS, javascript, C, C++, Core Java.

Training/Courses/Certification

Completed MS-CIT under Government of Maharashtra in month of January-2009.

One week Summer Training for Engineering under "**Bharat Sanchar Nigam Limited**" at Ahmednagar in the month of July-2016.

Completed the basic "**German language Course**" from Das Ziel Institute, Pune.

Two months training on "**English Work Skills Life Skills**" by Barclays during the period 24/10/2016 to 28/12/2016.

Extra-Curricular

Participated in the "**Cricket**" during Annual sports tournament 2013-2014 and "**member of the winning team**".

Awarded certificate for the "**Discipline committee of MEDHA 2K17 event**" by Amrutvahini college of engineering.

Personal Information

Personality : Smiley face, Motivator, Friendly behavior.

Hobbies : Travelling.

Date of Birth : 4th April 1996

Current Address : Swami house, Shivnagar Sutarwadi, Pashan, Dist.Pune(411021)

Permanent Address : Parishram Nivas, Mohale colony, Kalamnuri, Dist. Hingoli (432702).

I hereby inform that all the statement made above are true the best of my knowledge and belief.

Place: Pune.
